## San Francisco Neighborhoods: Mission District & Chinatown

San Francisco is a city of distinctive neighborhoods, each with a unique lifestyle, appearance & history. Two diverse communities rich in image making potential are the Mission District & Chinatown. The Mission District is well known for gorgeous mural art, a wide variety of store fronts, colorful people and wonderful food. Chinatown is an exotic and mysterious, the largest Chinatown outside of Asia and the oldest in North America. A labyrinth of

streets and alleys offer new discoveries on every visit.

Join us for a full day of photography: murals, people, restaurants, shops, signage, shops, street scenes & architecture.
