## **Bootcamp: Exposure, Filters & Flash**

**Sharpen your skills on location in Carmel & Pt. Lobos, CA**

The New Year is here and overflows with photographic opportunities. To make the most of these opportunities, you want your skills to be fresh, fast and fluent.

Bootcamp is an intense review of technique with structured practice sessions so that you know how to meter quickly and get the shot. We will talk about filters, how to use them and under what conditions. Finally we will review use of flash, how to make flash adjustments and practice.

Carmel & Pt. Lobos are beautiful locations for photography year round and will provide a variety of gorgeous locations to polish your skills and get ready for a year of building your portfolio of beautiful images.

Limited 8 Participants  
Fee \$395
