## ***In Private!***

Sometimes the best use of your time is to have a private tutorial focused exclusively on what you need. For those photography students who want to concentrate their time and energies, these sessions take you to the next level at your pace. Sample topics are noted below but all meetings are tailored to your specific needs.

### **Exposure**

### **Metering & White Balance**

### **Flash**

### **Photographing People**

### **Macro Photography**

### **Print**

### **Adobe Lightroom**

### **Adobe Photoshop CS3 & CS4**

**Fee & Logistics**    **\$75 / hour, two hour minimum, at my studio**

**Sessions of four hours or more, at your home**
